

EA Products

We have many innovative fine home fragrance products planned for the official launch of Etherea Aromatics. We aim to create an environment filled with your signature fragrance at every turn in your home or office!

We have chosen to start our pre-launch building period with a limited test product line in our 20 fragrances to include the following:

Passive Diffusion/Home Décor

Reed Diffuser
Scented seashells
Envelope Sachets
Fragrance oil
Scented wood spheres

Home Keeping

Linen press
Laundry rinse
Concentrated room spray
Sheet Spray
Concentrated car spray

As stated, we plan on adding innovative products each month up to our launch date to include:

Passive Diffusion/Home Décor

Scented sand for use in vases, rock gardens, etc...
Scented colossal salt crystals
Scented glass
Scented wooden shapes
Hanging car scent
